

CIRANDA DAS

A coleção “CIRANDA DAS SÍLABAS” é composta por seis volumes, organizados em lições que apresentam atividades seqüenciais. Nos volumes 1 e 2, as lições envolvem o trabalho com vogais e consoantes, facilitando o aprendizado do alfabeto. Os demais volumes estão voltados à sistematização das famílias silábicas, permitindo, dessa maneira, que o professor avalie sistematicamente os avanços de seus alunos, fazendo intervenções adequadas ao perceber que algum aluno não está aprendendo de forma satisfatória.

Ruth Rozendo Caputo
