

A coleção "CIRANDA DAS SÍLABAS" é composta por seis volumes, organizados em lições que apresentam atividades seqüenciais. Nos volumes 1 e 2, as lições envolvem o trabalho com vogais e consoantes, facilitando o aprendizado do alfabeto. Os demais volumes estão voltados à sistematização das famílias silábicas, permitindo, dessa maneira, que o professor avalie sistematicamente os avanços de seus alunos, fazendo intervenções adequadas ao perceber que algum aluno não está aprendendo de forma satisfatória.

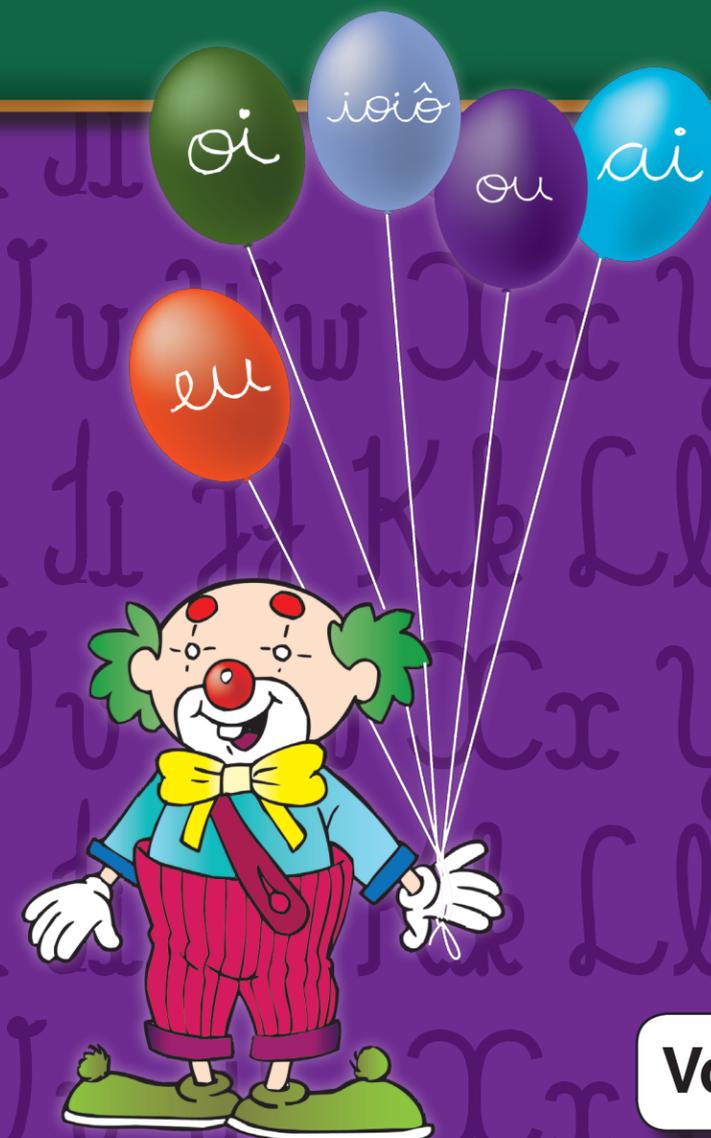

Ruth Rozendo Caputo

BRINCANDO COM A OVELHA

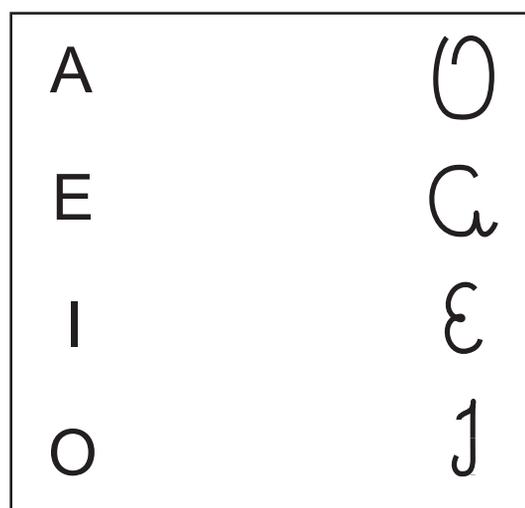

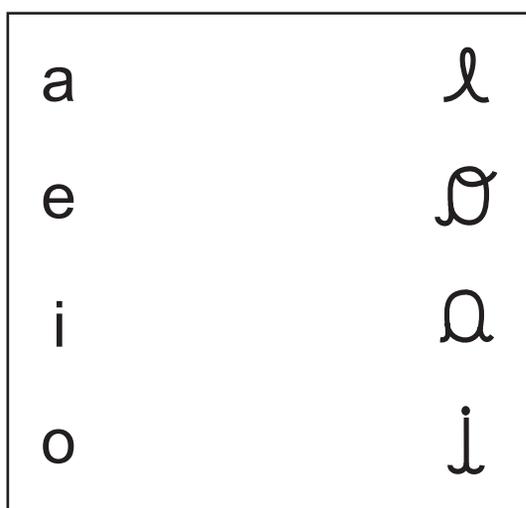

- 1 – Recorte o corpo da ovelhinha em cartolina dupla, conforme o molde.
 - 2 – Recorte a carinha em cartolina branca e cor-de-rosa. Cole uma na outra e depois coloque um pequeno botão como olho.
 - 3 – Recorte a orelha e cole no lugar indicado.
 - 4 – Cole as pazinhas de sorvete imitando as pernas.
 - 5 – Enfeite com um belo lacinho.
- Abra um pouco a cartolina e você verá que a ovelhinha fica de pé.

(sugestão apresentada no suplemento feminino - Jornal Estado de São Paulo).
